

Response to Editor

Manuscript: *Institutional fragility and climatic exposure drive biocultural vulnerability in traditional agricultural knowledge systems*

Journal: *Biodiversity and Conservation*

March 23, 2026

Dear Editor,

Thank you for considering our manuscript and for your feedback. We have addressed your request as detailed below.

Editor's comment: *Please provide the Email Address of the Corresponding Author in the manuscript.*

Response: The email address of the corresponding author (ldvsantos@uefs.br) has been added to the author field on the title page of the revised manuscript, immediately below the “[Blinded for peer review]” designation, in the format:

Corresponding author: ldvsantos@uefs.br

This addition ensures that the corresponding author's contact information is available within the manuscript while preserving the blinding of author identities for peer review.

We trust that this revision satisfactorily addresses your request and look forward to the continuation of the review process.

Sincerely,

Luiz Diego Vidal Santos, PhD
(Corresponding Author)
Universidade Estadual de Feira de Santana (UEFS)
E-mail: ldvsantos@uefs.br
